Requirements

Academic Requirements

Bachelor's

Minimum 12 years of total schooling required (Italian standard)

Master's

Bachelor's degree or equivalent

Gap-filling options

- Students from countries with fewer than 12 years of schooling must verify compliance with Italian requirements

Minimum overall high school GPA of 70%, with math grade not below 70%. A diploma or bachelor's degree older than 5 years will not be considered. Students must have reached the age of 18 by August 31, 2026 to enrol for 2026/27. Enrolment in 2026/27 is limited to students born between 2001 and 2008 (Economics and Business). Country-specific certificate requirements apply for Ethiopia, India, Pakistan, Bangladesh, West African countries, Kenya, Afghanistan, Kazakhstan, Kyrgyzstan, Tajikistan, and Uzbekistan — check the programme page.

Language Requirements

EN English min B2 (CEFR)

MOI (Medium of Instruction) letter NOT accepted — a verifiable certificate is required

- ✓ TOEFL $\geq 50-59$ (paper-based)
- ✓ TOEFL iBT $\geq 72-94$
- ✓ TOEFL iBT (new 2026 scale) ≥ 4
- ✓ Duolingo ≥ 100
- ✓ IELTS ≥ 5.5
- ✓ Pearson PTE ≥ 46
- ✓ Oxford Test of English ≥ 110

MOI (Medium of Instruction) letters are NOT accepted. Certificates must be verifiable online. Although a MOI declaration may be accepted by Unicas for pre-admission, Italian Embassies typically require a valid B2-level certificate for the visa — obtaining one before applying to the Embassy is strongly recommended.

Admission Process

For Non-EU Students Residing Abroad

1 Step 1 — Pre-admission (GOMP portal)

Create an account at the UNICAS Student Portal GOMP (<https://gomp.unicas.it/>) and submit through 'Pre-admission International Students'. Upload: high school transcript, CV, motivation letter, English certificate (B2), valid passport/ID card. Pay the €15 application fee after uploading — applications without payment are skipped in the queue. Pre-admissions for 2026/27 are open now; typical window is February–June. Evaluation takes up to 30 days (the committee analyses applications in chronological order). Incomplete applications are rejected.

2 Step 2 — Selection committee evaluation

The selection committee evaluates based on: English certificate B2 or equivalent; overall high school GPA $\geq 70\%$ with math $\geq 70\%$; diploma not older than 5 years; age ≥ 18 by August 31, 2026. Country-specific documents are required for some nationalities. You will be notified by email.

3 Step 3 — Pre-enrolment on University

Once pre-admitted, register on University (<https://www.universitaly.it/>) and follow the instructions to apply to the Unicas programme. Apply as soon as possible — the sooner you submit, the sooner you receive a visa appointment. Ensure all document names match exactly what is on your passport. The committee will contact you through the portal if documents are missing — do not send emails.

4

Step 4 — Unicas approves on Universitaly

Once the administration has approved your application on Universitaly, Italian Embassies can verify your admission without further communications from you.

5

Step 5 — Visa

The Embassy evaluates your request and issues the visa. Print the PDF summary from Universitaly (this is the 'Letter of eligibility for enrollment' — no separate admission letter is sent by email), sign it, and deliver it to the Embassy. Unicas requires a Declaration of Value (DoV) or a Statement of Comparability + Verification from CIMEA for enrollment. The visa decision is the exclusive jurisdiction of the Italian diplomatic-consular mission.

6

Step 6 — Enrollment at Unicas

After receiving the visa: (3.1) Apply for your Codice Fiscale at Agenzia delle Entrate (Via Ausonia Vecchia, Cassino) and deliver it to the International Students Administrative Office. (3.2) Go to the International Welcome Service at Rettorato, Viale dell'Università, Loc. Folcara, 03043 Cassino (FR) with your passport (with visa and entry stamp), and DoV or CIMEA Statement of Comparability + Verification. (3.3) Wait for the 'nulla osta for international students' in GOMP, then visit the International Students Administrative Office to complete enrollment and receive your student card. (3.4) Contact your Department's Didactics Office for timetable and study plan.

The system does not allow any changes once the Universitaly application has been sent to the Embassy — review carefully before submitting. Do not contact the committee by email during the waiting periods.

Documents

For Admission

- High school transcript
- Curriculum vitae (CV)
- Motivation letter
- English language certificate (B2 or equivalent — IELTS, TOEFL, Duolingo, PTE, etc.; verifiable online; MOI not accepted)
- Current valid passport or identity card
- €15 pre-admission application fee payment

For Enrolment

- Passport with visa for study and arrival stamp in Italy (or valid permit to stay)
- Declaration of Value (DoV) issued by the competent Italian consular section — OR — Statement of Comparability together with Statement of Verification (both issued by CIMEA)
- Codice Fiscale (Italian tax code, obtained at Agenzia delle Entrate in Cassino)
- Printed and signed PDF summary from Universitaly (Letter of eligibility for enrollment)

Statement of Comparability + Verification from CIMEA is accepted in place of the DoV. Check the Embassy directly on whether DoV is also required for the visa application.

Deadlines

What	From	Until	Notes

Important Notes

! Algeria is explicitly in Group A — total annual fee is €756 (€600 + €140 regional tax + €16 stamp duty). DiSCo Lazio can waive tuition entirely based on income and merit.

! MOI (Medium of Instruction) letters are NOT accepted as English proof. Obtain an IELTS, TOEFL, Duolingo, or PTE certificate — the Embassy will require it for the visa even if Unicas accepts a MOI for pre-admission.

! A €15 pre-admission fee must be paid immediately after uploading documents — unpaid applications are skipped in the queue.

! The University application is LOCKED once submitted to the Embassy — it cannot be reopened or modified. Review all documents carefully before submitting.

! The 'Letter of eligibility for enrollment' is a PDF to print from the University portal — no separate email admission letter is sent.

! Unicas requires a Declaration of Value (DoV) OR CIMEA Statement of Comparability + Verification for enrollment. Check with the Embassy whether DoV is also required for the visa.

! Enrollment for 2026/27 in Economics and Business is limited to students born between 2001 and 2008.

! A diploma older than 5 years will not be considered for admission.

! The visa decision is the exclusive jurisdiction of the Italian diplomatic-consular mission. Pre-admission does not guarantee a visa, and obtaining a visa does not guarantee enrollment.
