Requirements

Academic Requirements

Bachelor's

Minimum 12 years of schooling and a secondary school leaving qualification recognized as valid for access to further academic studies in the country where it was awarded

Master's

Bachelor's degree or equivalent

Gap-filling options

- Academic transcripts of records certifying that all exams foreseen for the first/second year of university studies have been passed
- Final leaving qualification from an Italian university attesting completion of a foundation course compensating for the missing years
- A 1/2-years official post-secondary study qualification obtained in a non-university higher education institution in a subject related to the chosen course

Applicants who have completed only 10–11 years of schooling must also submit qualifications covering the 1–2 year gap. If the chosen programme requires an entry test, applicants must take and pass the exam to be admitted.

Language Requirements

EN **English** min B2 (CEFR)

MOI (Medium of Instruction) letter accepted

- ✓ IELTS Academic ≥ 5.5
- ✓ TOEFL iBT (ETS) ≥ 72
- ✓ Pearson Test of English (PTE — General and Academic) ≥ 46
- ✓ Trinity ISE II–IV (Trinity College London)
- ✓ British Institutes Certification (British Institutes)
- ✓ Cambridge English Qualifications (Cambridge University Press & Assessment English)

Required for English-taught Bachelor's and Master's degree programmes.

IT **Italian** min B2 (CEFR)

University test available if no certificate

No specific certificate list — check official website.

Required for Italian-taught Bachelor's programmes. If you do not have an official Italian language certificate, you must sit an Italian Language Test at Unipa.

Admission Process

For Non-EU Students Residing Abroad

1 Step 1 — Register on the Unipa Student Portal

Create your account at: https://immaweb.unipa.it/immareg/facelets/anag/ins_anag_generale.seam?partnerId=IMMAWEB — Tutorial: <https://www.unipa.it/target/international-students/content/documenti/Tutorial-registrazione-portale26-27.pdf>

2 Step 2 — Submit an Enrolment Application

Go to Student Portal: Applications > New Application > Concorsi e Immatricolazioni | Calls and Enrolment Applications > Domanda di Immatricolazione. Upload: valid passport, passport photo, copy of High School Diploma (translated into Italian or English), Transcript of Records, language certification (B2+) or MOI certificate, CV. Deadline: Your application must be created by 20 July 2026.

3 Step 2.1 — Obtain Admission Letter (Bachelor's)

Documents are first reviewed by the administrative office, then forwarded to the Course Coordinator for academic evaluation. The Admission Letter does NOT guarantee enrolment or a visa. Tutorial: <https://www.unipa.it/target/international-students/content/documenti/tutorial-ENROLMENT26-27.pdf>

4 Step 2B — Personal Knowledge Interview (Master's only)

After the admission letter is issued, you will be contacted by the course coordinator for a 'personal knowledge interview' via Microsoft Teams. This assesses academic preparation, motivation and expectations, and English language proficiency. The application is suspended until the coordinator confirms the interview outcome. Passing the interview is required to complete the Master's enrolment. Timeline: January 2026 – November 30, 2026.

5 Step 3 — Register on the University Portal

Register at <https://www.universitaly.it/> and start your application, uploading: valid passport, passport photo, copy of High School Diploma (Italian or English), Transcript of Records, language certification (B2+) or MOI certificate. The International Office will only forward applications that have the admission letter. Deadline: August 30, 2026. Tutorial: <https://www.unipa.it/target/international-students/content/documenti/Tutorial-universitaly-.pdf>

6 Step 3.1 — Visa Application

Complete all procedures for the study visa by November 30, 2026. The procedure may vary according to individual Italian embassy/consulate regulations. The embassy/consulate has exclusive responsibility for the final decision.

7 Step 4 — Enrolment Finalisation

Deadline: 22 December 2026. After visa, pay the tuition fee (August 1 – September 30, 2026; October 1 – December 31, 2026 with a penalty fee). After payment the application is automatically blocked and must be finalised at the International Students Office (Viale delle Scienze, Building n. 3 for Bachelor's; Building n. 18 for Master's) with original documents.

The International Office will only submit University applications that have an admission letter from the Course Coordinator.

Documents

For Admission

Visa & Arrival

FINANCIAL PROOF

€10,179.85 available in the applicant's personal bank account at the time of application. Must come from legitimate and traceable sources, preferably personal or from the family unit (relatives up to the fourth degree). The applicant will be asked to sign a consent form authorizing the Italian Embassy to verify the authenticity of banking documentation and availability of declared funds.

ACCOMMODATION

Proof of accommodation availability in Italy required (declaration of availability of accommodation in Italy and funds necessary for repatriation, demonstrable via a return air ticket).

HEALTH INSURANCE

Medical insurance covering treatment and/or hospitalization is required: either (1) a consular declaration confirming the right to healthcare under the partnership between Algeria and Italy, or (2) a foreign or Italian insurance policy with no limitations or exceptions to the costs foreseen for emergency hospitalization.

RESIDENCE PERMIT

Must be requested within 8 working days of arrival in Italy at the local Police Department – Immigration Office (Questura – Ufficio stranieri). Can be presented to Post Offices (Sportello Amico); the University's COT Desk Service helps foreign students fill out the request. Cost: €30.46 (Electronic Residence Permit) + €40 (contribution for Residence Permit) + €30 (insured mail sending). An appointment will then be assigned at the Immigration Office for photo/fingerprint operations.

Pre-enrollment is submitted exclusively through the UNIVERSITALY portal (the only free and official portal of the Ministry of University and Research).

Important Notes

! The Admission Letter from the University of Palermo does NOT confer any right to obtain a visa — the final decision on visa for study purposes is the exclusive jurisdiction of the diplomatic/consular Mission.

! The diplomatic-consular Missions must confirm there is no student 'migration risk' (D.I. 850/2011, art. 4, paragraph 2) — this includes assessing the socioeconomic status of the student and family, type and quality of previous studies, and coherence of the chosen programme.

! For Master's: you must pass the personal knowledge interview (via Microsoft Teams) before the enrolment application can be completed. The application is suspended until the coordinator confirms the outcome.

! Pre-enrolment application must be submitted exclusively through the UNIVERSITALY portal — the only free and official portal of the Ministry of University and Research.

! The evaluation of foreign qualifications for enrolment is the exclusive responsibility of higher education institutions (Article 2 of Law 148/2002).

! At enrolment finalisation, you must present a Declaration of Value (DoV) from the Italian consular section OR a Statement of Comparability + Verification from CIMEA — not optional.
